

Dear MUN Director,

June 2014

The end of the 2013-14 school year is fast approaching! All of us at THIMUN Qatar and the THIMUN Foundation would like to thank you for your contributions over the past year. Without dedicated and committed teachers in schools, MUN programs would not exist. We hope you have a well-deserved rest and we look forward to working with you again in the new school year.

Below are a few key reminders before the summer vacation:

Update School Contact Information

In order to remain in contact with schools, we need updated contact information for MUN directors. A few days ago, you should have received an email from the office asking you to send us the contact details of your MUN director for 2014-15. If your contact details are changing, please contact our office with your school's new MUN Director's details.

We greatly appreciate your support on this issue.

Qatar Leadership Conference

Please remember the deadline for school registration is June 30th. Last year our conference was completely full and requests after the June 30th deadline were placed on a waitlist. We will always do our best to accommodate your requests but please realize there are space limitations and we operate on a first come first serve basis.

There are a large number of excellent international and national speakers you will not want to miss, lined up for the conference this year. Please read the attached featured presenters guide for a small sampling of our over 50 outstanding presenters.

To register your school, please use the online form at <http://www.emailmeform.com/builder/form/M8d93kUHnaz2t84u020D8wbF>.

The **deadline for school registration is June 30th, 2014**. Registration of individual participants will occur in September

Best Delegate MUN Directors Institute

Many of you are familiar with the high quality training workshops provided by one of our partners; Best Delegate. At the Qatar Leadership Conference, Best Delegate will be launching their MUN Directors Institute. This Institute has been designed to provide experienced MUN directors and leaders with specialized training in conducting a series of MUN workshops.

Quality MUN trainers are desperately needed in our region and we would strongly urge you to consider this opportunity. If you are interested in becoming an official Best Delegate MUN trainer, please plan on attending the Leadership conference in October as this certification session will run all day Friday October 17. There is 20 participant limit on this training session so we encourage you to apply for this opportunity now:

Please note all trainees accepted into this session must be fully registered to attend the QLC. Open to teachers, university students, and other professionals.

THIMUN Qatar Conference

Please remember to register your school for the 2015 conference before the summer. Although registration closes on September 17, the beginning of the school year is always a busy time. We recommend that you register now in order to secure your place.

Please use the online Form 1 at <http://www.emailmeform.com/builder/form/46ynk836c37u> to register your school. Please visit our website at <http://qatar.thimun.org/> where you can discover more information about THIMUN Qatar.

Don't forget to remind your students about the student officer applications that are also due on September 17th.

Planning for your conference in 2014-15?

Please remember the goal of the THIMUN Foundation is to provide a quality MUN experience to as many students as possible. A large part of our mandate is to support our partner school's MUN conferences. We can offer support with online MUN training sessions, conference management applications, in-school workshops, and a large number of resources. Virtually all of our services are offered for free or at a nominal fee. Please do not hesitate to contact us and find out how we can serve you and your student leaders.

Summer office hours:

Please note that the THIMUN Qatar office will be closed from July 20 to August 10 for summer holidays. You will still be able to contact us at any time via email but please allow for a few days for a response.

Thank you again for a great 2013-14 school year. We look forward to working with you next year and have a great summer.

Yours truly
