

Dear MUN Director,

May 2014

As another school is winding down, we are looking forward to planning a number of exciting events for you and your students for the 2014-15 school year. The purpose of this letter is to invite your school to participate in our third annual Leadership conference (October 16-18) and our fourth annual THIMUN Qatar conference from 3 -6 February 2015.

Attached you will find an official invitation letter to both events as well as the THIMUN Qatar 2015 administration handbook. You may register for both events from our website or from the links below.

Leadership Conference

As the conference date is at the start of the next school, registration of individual participants will occur in September. Schools are expected to register the number of individual participants that will be attending. Please note schools will be invoiced for the number of spaces that they reserve.

Please use the online form at <http://www.emailmeform.com/builder/form/M8d93kUHnaz2t84u020D8wbF> to register your school. The deadline for school registration is June 30th, 2014.

Please note that the Leadership conference has been at full capacity for the past two years and we may not be able to honor all requests for participation. Please register early to avoid disappointment.

THIMUN Qatar Conference

THIMUN Qatar is known for its professional student executive and engaging debates. Committee rooms will be under 100 delegates allowing for diversity as well as ample opportunity to engage in debate. In each committee, leading experts from the vibrant diplomatic and Qatar Foundation community will present an expert opinion on a topic being discussed. In addition, THIMUN Qatar 2015 will for the first time feature a committee where the language of debate is in Arabic. Please see the THIMUN Qatar 2015 administration handbook for more details.

The THIMUN Qatar conference will have many other exciting highlights. Our conference takes place at the Qatar National Convention Center. This world class facility is one of the show-case buildings in the new Doha and the Qatar Foundation campus. Each room has been custom designed for maximum comfort for convention participants. The grand ceremonies are located in the grand QNCC Theatre with seating for over 2500 participants. Open ceremonies feature over 200 student performers demonstrating the cultural diversity that exists in Qatar. Delegates will be given an opportunity to relax by exploring the numerous tourism attractions.

Please use the online Form 1 at <http://www.emailmeform.com/builder/form/46ynk836c37u> to register your school. Please visit our website at <http://qatar.thimun.org/> where you can discover more information about THIMUN Qatar.

We look forward to hearing from you soon and hope to see you and your school at THIMUN Qatar 2015.

Yours truly
