

APPROVAL PANEL

Dear Educator,

Thank you for volunteering your time in the approval panel! THIMUN Qatar's student participants build good debates from good resolutions and we value your contributions to creating a strong educational experience.

Procedure:

1. Go to <http://eresolutions.herokuapp.com/login> .Log in with your username and password (which are the same) and can be found taped next to the Mac Laptop in front of you.
2. Ask the delegate for his/her **co-submitter sheet**. Please check:
 - a. Chair has signed the co-submitter sheet
 - b. Minimum 15 signatories
 - c. Resolution number is written
 - d. If not complete ask delegate to return to committee and complete
3. From the menu choose **Registered Resolutions**. You can search for the document by resolution number, or by committee name.
4. Select the resolution that matches the resolution number listed on the co-submitter sheet. Open the file by clicking on the number.

The screenshot shows the THIMUN QATAR website interface. On the left is a dark sidebar with the THIMUN QATAR logo and navigation options: 'Test Conference' (June 14, 2014 - June 16, 2014), 'Upload New Resolution', 'My Resolutions', and a list of resolution statuses: 'All Resolutions', 'Registered Resolutions', 'Approved Resolutions', 'Passed Resolutions', 'Failed Resolutions', and 'Undebated Resolutions'. The main content area has a search bar with 'Search by Resolution no.' and a dropdown menu set to 'Security Council (SC)'. Below the search bar, 'SEARCH RESULTS' are displayed as a list of two items:

Resolution No.	Committee	Title	Status	Country	Author	Timestamp
29	SECURITY COUNCIL (SC)	Situation in South Sudan	PASSED	Sudan	omun@ers.com	14-05-2014 11:05:39 UTC
105	SECURITY COUNCIL (SC)	Test 2014	REGISTERED	Australia	omun@ers.com	11-01-2015 15:01:27 UTC

5. Save the file to the desktop (file-save as- desktop).

APPROVAL PANEL

6. Review the resolution using the THIMUN Resolution Formatting Guide. **Remember, you are only to be concerned with grammar, spelling and format.** Do not attempt to change any content, unless content is graphic or indecent. Make the necessary changes to the document and save it.
7. After making any changes, save file (file- Save) and upload the new version using **Replace Resolution File. (choose file-desktop-select file -OK)**

The screenshot shows the THIMUN Resolution Approval Panel interface. On the left is a dark sidebar with the THIMUN logo and navigation options: 'Test Conference' (June 14, 2014 - June 16, 2014), 'Upload New Resolution', 'My Resolutions', and a list of resolution statuses: 'All Resolutions', 'Registered Resolutions', 'Approved Resolutions', 'Passed Resolutions', 'Failed Resolutions', and 'Undebated Resolutions'. The main content area displays 'RESOLUTION #105' for the 'SECURITY COUNCIL (SC)' under the 'Test 2014' conference. It shows the submitter as 'Australia' (omun@ers.com) and the submission time as '11-01-2015 15:01:27 UTC'. The status is 'REGISTERED'. Action buttons include 'Download Resolution', 'Edit Resolution Details', 'Download Resolution', 'Replace Resolution File', and 'Approve Resolution'.

8. Click **Approve Resolution**.
9. Click **Save Changes**. You will see a confirmation message saying: “Resolution was successfully updated”.
10. Please Sign the Co- Submitter Sheet and kindly inform the delegate that their resolution has been approved and that they may return to committee and hand in their Co submitter sheet to their Chair. Copies of the resolution will be sent to their rooms by Admin staff.
11. You are ready to approve another document (go back to step 1). If you are not going to approve another resolution, don’t forget to press **Sign out**

APPROVAL PANEL

THIMUN RESOLUTION FORMATTING GUIDE

<p>This column and the table format are designed for instructional purposes and should not appear on the resolution.</p>	<p>Either UK or US English is permissible, provided there is consistency throughout the document.</p> <p>A list of suggested clause openings is included at the end of this document.</p>
<p>The statement of committee and the question should be exactly as written in the THIMUN booklet. Please note that the main submitter is taken off after the resolution passes.</p>	<p>FORUM: Disarmament Sub-Commission 1 QUESTION OF: The role of diamonds in fuelling conflict: breaking the link between the illicit transaction of rough diamonds and armed conflict as a contribution to prevention and settlement of conflicts SUBMITTED BY: Saint Vincent and the Grenadines</p>
<p>The commission must be clearly stated in capital letters before the resolution begins its text section.</p>	<p>THE DISARMAMENT COMMISSION,</p>
<ul style="list-style-type: none"> • The opening of preambulatory clauses should be italicized. • No clause opening should be repeated in its exact form. • Preambulatory clauses <u>must</u> end in commas. • All acronyms must be listed in full before appearing in abbreviated form. • Grammatically the resolution is one sentence, so that no clause may contain a full stop (period) or begin a new sentence. 	<p><i>Noting</i> that the smuggling of illicit rough diamonds accounts for over 50 percent of the diamond trade and it is estimated by the Government Gold and Diamond Office that the total production of rough illicit diamonds amounts to 100 million USD per year,</p> <p><i>Further noting</i> rough diamonds as diamonds that are uncut and unpolished but are used as “blood diamonds” to finance conflicts to overthrow governments,</p> <p><i>Aware</i> that 4% of diamonds produced are classified as “conflict or blood diamonds,” which is enough to purchase weapons for the whole destabilization of Africa,</p> <p><i>Defining</i> “blood and conflict diamonds” as gems which are found in regions that are not under the control of the democratically elected ruler or government, or diamonds used by business or non-state forces to fund movements of human rights abuses against civilians,</p> <p><i>Recognizing</i> the Kimberley Process Certification Scheme (KPCS) as an internationally recognized certification system for rough diamonds to establish national import and export standards,</p> <p><i>Further recognizing</i> that the KPCS is lacking a sufficient system for monitoring where diamonds are mined, how they are mined, what the proceeds are going to and how diamonds are domestically transported, which influences the government’s control over conflicts and can possibly be a promotion of illicit diamond trading,</p>

APPROVAL PANEL

<ul style="list-style-type: none"> • No operative clause opening should be repeated in its exact form. • Operative clauses <u>must</u> end in semi-colons. • Operative sub-clauses and sub-sub-clauses must have no punctuation at all at the end. • A period (full stop) only appears at the end of the last operative clause. • Operative numbers should align with the first letter of the preambulatory clause • Following lines of operative clauses must align with the first word of the first line. • Sub-clauses should be marked with a letter and a bracket. • Sub-sub-clauses should be marked with a lowercase roman number followed by a period. • Acronyms must be listed in full before appearing in abbreviated form. • Ensure that there is a line-space between the end of one operative clause and the beginning of the next. 	<ol style="list-style-type: none"> 1. <u>Calls for</u> all relevant member states to sign and ratify the KPCS as created in 2003 by the United Nations (UN) General Assembly which will help to promote cooperation and awareness of the illicit diamond trade; 2. <u>Further calls for</u> all relevant nations which are currently withholding signature and ratification of the KPCS due to financial reasons, to request from intergovernmental organizations (IGO) such as the International Monetary Fund (IMF) and the World Bank, funds or low interest loans, while recognizing the ability of these IGO's to reject applicants so that creditable member states may be provided with necessary finances to comply with this resolution; 3. <u>Asks for</u> the creation of the Collation for Stopping Conflict Diamonds (CSCD), a United Nations Organization (UNO), which would work with the relevant member states, as well as the United Nations Verification and Inspection Committee (UNMOVIC), the United Nations Institute for Disarmament Research (UNIDIR), African Union (AU), Economic Commission for Africa (ECA) and World Diamond Council (WDC), enabling the monitoring of the implementation of the KPCS in countries that have already ratified it, so as to verify that it is fully respected, in order to catch illicit diamond trading within their member states as well as working with other member states to stop illicit diamond transportation on an international level by: <ol style="list-style-type: none"> a) monitoring in their respective countries who is buying and selling the diamonds b) ensuring the methods the diamonds are bought and mined from are legal according to the KPCS's definition of "clean" diamonds as well as ensuring that the Geneva Convention is being implemented c) sending a submitted proof of each country's and mining companies diamond proceeds to ensuring that they are not funding armed conflicts d) sending a member of the CSCD and of the UNMOVIC to nations having ratified the KPCS, so as to observe the changes made within a year's time, thus insuring transparency; 4. <u>Urges</u> that the monitoring system of CSCD and member states that have signed the KPCS allow and implement a customs checking system in each county including: <ol style="list-style-type: none"> a) a monitoring system using modern measuring and weighing instruments, financed if needed by the IMF in order to: <ol style="list-style-type: none"> i. check that the certificate's stated amount and quality of "clean" diamonds is received ii. also make sure that the certificates received are genuine and include all the information needed iii. confiscate any unregistered diamonds and the revenue of the illegal sales which will then be used for the CSCD b) the cooperation between the custom checking system, member states and International Criminal Police Organization

APPROVAL PANEL

Preambulatory Clauses

PLEASE DO

- State strong and recent facts about the issue
- Do not repeat opening phrases it is recommended to use terms such as ‘further’, ‘deeply’ or other adjectives if needed.
- Use statistics where applicable
- Mention the past situation and current situation
- Recall any passed resolutions by the UN on the issue
- Relate any other organisations involved in the situation State relevant organisations’ efforts in the situation
- If applicable, use developing countries/LEDCs or developed countries/ MEDCs

Operative Clauses

In the Operative Clauses PLEASE DO:

Use “Third World countries”/ “poor countries” or “First World countries”/ “rich countries”

Aim to find solutions, which solve the smaller problems that contribute to the issue

Elaborate on the solutions in your operative clauses (sub clauses and sub-sub clauses)

Make use of any UN organisations or create ones to help the issue

Emphasize cooperation between governments and relevant UN organisations

Explain different methods of approaching the same problem through clauses

All Clauses PLEASE DON’T:

- Create unrealistic solutions to the issue, which are vague solutions/ not possible to be put into force
- Repeat Clause-Opening words in the resolution, if you need to reuse it, either use a similar word to it, or add “Further” before it like in “Further Requests” or add “Strongly” like “Strongly Requests”
- **PLAGIARISE:** As Plagiarism isn’t at all tolerated at MUN conferences, even if one is trying to get ideas from resolutions. One can only use similar ideas, and rewrite them as ones own, not use that particular clause/ resolution. At MUN conferences, plagiarism is dealt with strongly and often results in one being removed from the conference, and problems between ones school/delegation and the conference management.
