This year’s conference theme is Good Health and Well-Being, inspired by Sustainable Development Goal 3.

Many more people today are living healthier lives than in the past decade. Nevertheless, people are still suffering needlessly from preventable diseases, and too many are dying prematurely. Overcoming disease and ill health will require concerted and sustained efforts, focusing on population groups and regions that have been neglected.

APPLICATIONS FOR THE POSITION OF
STUDENT OFFICER, ICJ,
FOREIGN LANGUAGES, PRESS & HSC

GENERAL RULES

With the exception of the hosting schools, participating schools may submit no more than 4 applications in each of the 4 categories (Student Officer/ICJ/Foreign Language Committees/Press). All students applying for Student Officer must complete an Application Form, together with a formal letter of motivation and a letter of recommendation from their MUN-Director. These must be returned to the THIMUN Qatar Office by the final closing date. Late or incomplete applications will not be considered.

I. STUDENT OFFICERS

The Student Officer team consists of the Executive Committee together with the Co-Presidents, Deputy Presidents, Committee Chairs and Deputies in the various forums. All Student Officers must be thoroughly conversant with Parliamentary Procedure and particularly with the current THIMUN Rules of Procedure. They must have a good knowledge of current affairs as well as of the issues on the agenda. They will be required to write a research report and must be prepared to be actively involved in the lobbying process, coordinating the work of their respective Council, Commission, Conference or Committee throughout the week.

In their letter of application candidates should state which position and which forum(s) they are particularly interested in.

Please note that students in their final year at secondary school who have not previously chaired at a MUN conference are unlikely to be selected.

General Assembly Presidents and Committee Chairs

General Assembly Presidents and Committee Chairs will preside over committees when they are in session. Most of these positions are filled by those who have already held a student officer position at a MUN conference. Preference will be given to those who have experience from THIMUN-Affiliated conferences.

Deputies

In general, Deputy Presidents and Deputy Chairs are appointed in order to provide an opportunity for younger students to gain experience. It is hoped that such students will prove themselves capable and will be available to serve again at the subsequent session of THIMUN Qatar. Thus preferences will be given to students able to attend in 2019 as well as in 2020

II. HISTORICAL SECURITY COUNCIL

Applicants to the HSC will be accepted in teams of two. Participating schools may submit no more than one application for a HSC team. The application form can be found on the THIMUN Qatar website: https://qatar.thimun.org/conference/downloads/

III. FOREIGN LANGUAGES:
ARABIC & FRENCH

THIMUN Qatar will be hosting two foreign language committees, one in Arabic and one in French. HRC1 will be run as foreign language committees, in addition to their English counterparts. The size of those committees will likely increase this year.

DELEGATES

There is a separate application form for delegates wishing to take part in these committees. All applicants must belong to a participating school, with previous MUN experience, and be proficient in Arabic or French. Arabic: Command of Modern Standard Arabic will be required in order to participate in oral debates and drafting of resolutions. Allowances will be made for colloquial Arabic during debate.

Prior to the conference, all delegates in these committees are expected to work closely with their chairs.

STUDENT OFFICERS

Those wishing to be a Student Officer for either the Arabic or French language committees should complete the student officer application, including which committees they wish to apply to. Letter of motivation should either be in Arabic or French. Directors must provide a letter of recommendation.
IV. QMUNITY VOICE PRESS

Press delegates, under the supervision and direction of the Press Coordinator, are responsible for producing the conference newspaper and online publications. The Press Delegation includes layout editors, text editors, experienced reporters, photographers and video artists. The letter of application should include details of the applicant’s journalistic experience skills, familiarity with desktop publishing and/or photo/video editing programs, MUN experience and knowledge of current affairs. Please follow the requirements in the QMUNITY Voice Application.

V. INTERNATIONAL COURT OF JUSTICE

The ICJ consists of 9 judges who will examine two cases concerning legal disputes between member nations. Each case will be argued by advocates representing the parties to the dispute. Each party in each case will be represented by three advocates.

The judges and the advocates are independent lawyers and not members of any country delegation, though the advocates may consult the delegation whose country they are representing.

Applications are sought from outstanding students of sound academic ability, with a capacity for independent research, a good knowledge of international affairs and MUN experience. An interest in law would be an advantage but applicants are not expected to be legal experts.

In their letter of application, as well as outlining their qualifications and experience, candidates must state whether they are interested in being a judge or an advocate and suggest which particular case they would be more interested in, preferably giving a reason for their choice. Once selected, the judges and advocates are expected to make a special study of the Statute, Rules of Court and procedures of the International Court of Justice and the Briefing Guide. Both judges and advocates are also expected to research the particular cases before the ICJ.

Note: Advocates must apply in teams of 3 students for ICJ consideration.

SUCCESSFUL APPLICANTS

Students whose applications for Student Officer, Press and Foreign Languages are successful will be notified by September 30, 2019. Student Officers, delegates of the Foreign Languages, Press and ICJ participants are expected to travel with and reside with the other delegates from their school.

THIMUN Qatar is not responsible for travel or accommodation costs.

All Student Officers and Press Delegates and ICJ are required to attend the one-day workshop held in QNCC on the Tuesday immediately preceding the conference.

FEES

With the exception of the Executive Student Officer team, all students holding individual positions will be charged the full participation fee.

THE STUDENT AMBASSADORS ROLE WITHIN THIMUN QATAR

Each student ambassador is expected to submit an opening speech to us by January 13th for reading during the opening ceremonies. The best five submissions will be selected to be read out during the opening ceremony. Schools will be informed beforehand if their ambassadors have been selected.

During the opening ceremony, ambassadors will be expected to bear their country’s flags in the parade of nations, unless they are required to chaperone the diplomatic representative of their assigned nation to Qatar, in which case an alternate flag bearer will need to be nominated by the student ambassador. Admin staff will liaise with Student Ambassadors to manage this.

To avoid or minimize such charges, schools should instruct their bank to transfer the money, net of bank charges, directly by bank transfer into the THIMUN Qatar account. Any outstanding bank charges must be settled in full the first day of the conference.

**Overpayment**
THIMUN Qatar’s financial transactions are processed by Qatar Foundation. It is extremely difficult for schools to receive refunds on overpayments. THIMUN Qatar offers credit in the amount of the overpayment to be used at the discretion of the school for future THIMUN Qatar related activities.

**Cancellation and Travel Insurance**
Schools are strongly urged to take out adequate cancellation, travel and medical insurance. THIMUN Qatar is not responsible for costs incurred by individual schools or individual participants in any of these areas.

**Additional Delegation**
Schools allocated a second delegation will be charged for the maximum number of students in the first delegation.

All delegations will be charged at least the minimum number of delegates stated on page 8.

** Pakistani Nationals must have a valid debit or credit card (For a family travelling together, the card must be in the name of the passenger or one per family), and a polio certificate for nationals travelling direct from Pakistan. *** Nationals of the Turkish Republic of Northern Cyprus can be granted a visa on their arrival into the State of Qatar on the condition that they are arriving on a Qatar Airways flight. THIMUN Qatar will issue visas for all students not in coming in via Qatar Airways
CONDUCT

GENERAL BEHAVIOUR
Although THIMUN Qatar is an educational exercise intended for young people, delegates are simulating the Councils, Commissions and Conferences of the United Nations. Thus, for the period of the conference, they must be regarded as diplomats and ambassadors for the country they are representing, as well as representatives of their individual schools. This demands a high standard of personal conduct and behavior from all delegates, both during the conference sessions and outside the Convention Center.

It is extremely important for both personal safety and continuing good relations between THIMUN Qatar, the Convention Center, and Qatar Foundation that delegates behave appropriately at all times. Therefore, schools are expected to select their students carefully and not bring to THIMUN Qatar any student who is likely to create a disciplinary problem. School Administrators and MUN-Directors should be aware that attendance at the annual session of THIMUN Qatar is by invitation and that this invitation may be withheld from schools unable to ensure that their students conform to accepted standards of adult behavior.

MUN-DIRECTORS’ RESPONSIBILITIES AND CONDUCT
All students must be accompanied by, and are the responsibility of, the designated MUN-Director(s). A MUN-Director must be a teacher at the school, or at one of the schools from which the delegation comes. At least two responsible adults (MUN-Directors or chaperones) should accompany each group.

All students staying in hotels must be supervised by their MUN-Director. MUN-Directors are required to stay in the same hotel as their students and must ensure that their room is located as close as possible to the rooms in which their students are staying. At least one MUN-Director from each participating school is expected to be present in the Qatar National Convention Center at all times. MUN-Directors are also required to adhere to the dress code.

Students may not stay at hotels without a registered teacher or chaperone

CONDUCT IN THE CONVENTION CENTER

Formal Dress: THIMUN expects personal appearance to be appropriate for a professional setting. This means business attire. In order not to cause offence to other delegates, national dress, military uniforms and armbands are forbidden.

Males are to wear a suit and tie – females should dress equally formally in suits or dresses. The length of the dresses are to be below the knee. Tops of arms need to be covered. Leggings are not culturally appropriate.

INAPPROPRIATELY DRESSED DELEGATES WILL BE SENT HOME TO CHANGE

MUN-Directors are responsible for ensuring their delegates are appropriately dressed and will need to verify they understand the dress code expectations.

Delegates and teachers must be courteous at all times to the Convention Center Staff and to the THIMUN Qatar Organizational and Administrative Staff, most of whom are volunteers giving up many hours of their own time to serve the delegates.

Smoking is prohibited in the entire Convention Center.
CONDUCT IN HOTELS

Students must remember that THIMUN Qatar is dependent on the goodwill of the community and of hotel managements in being able to provide accommodation at discounted rates for delegates. A bad experience by just one hotel may mean the loss of many potential beds for future delegates. Therefore, students must be polite and considerate at all times to hotel staff and fellow residents. A curfew of 11 p.m. is recommended for every night except the cultural night.

ALCOHOL, DRUGS, DRESS, PUBLIC DISPLAYS OF AFFECTION, AND PERSONAL SAFETY

MUN-Directors are responsible for enforcing rules for their own students with regard to alcohol consumption, drugs, dress in public places, and public displays of affection. Qatar is a safe and friendly country which has a thriving tourism industry. By following a few simple guidelines, delegates will have a safe and enjoyable time. When going to public places, delegates should dress modestly. Shorts and sleeveless shirts are not culturally appropriate. Fines can be issued for persons dressed inappropriately. In addition, all public displays of affection between genders should be discouraged. Couples holding hands or kissing in public is not culturally or legally accepted. Sexual relations between unmarried couples is a criminal offence in the State of Qatar.

It is very important to realize that regardless of personal or cultural views, the use of any alcohol and narcotic drugs is expressly prohibited. The use of alcohol is tightly regulated in Qatar and is illegal for Muslims. Strict criminal penalties will be enforced if law officials become involved in any situation where alcohol or drugs have been used. Any delegate that is found to be in possession or to have consumed alcohol or drugs during the conference schedule will be immediately removed from the conference and the visa invitation will be revoked.

OTHER ITEMS

DIGITAL CERTIFICATES

THIMUN Qatar no longer awards paper certificates instead we will issue digital certificates. Embedded within the e-Certificate is proof of participation, along with additional information on the conference. Clicking on the badge reveals the conference date and website, a description of the event, and general participant expectations and/or duties. The issuer of the badge is THIMUN Qatar, so those viewing the badge have the confidence of knowing that the student actually participated in the event.

Digital certificates can be shared publicly or privately, can be linked or embedded into e-portfolios, university applications, or shared on social media sites. This adds weight and verification to student’s participation at the THIMUN Qatar Model United Nations conference.

ELIGIBILITY TO ATTEND

THIMUN Qatar is a high school conference and is open to all students that are currently (or will) be enrolled in high school at the time of the event. THIMUN Qatar also hosts a middle school conference held each spring which is open to younger students.
THIMUN-AFFILIATED MODEL UNITED NATIONS

THIMUN-Affiliation links those MUNs which wish to be associated with THIMUN and whose educational goals, standards and quality of organization are recognized as being of an appropriately high standard. With the expansion of Model United Nations throughout the region, the demand for teacher-level assistance and training is growing. The THIMUN Qatar Office, in collaboration with Best Delegate, is proud to offer this professional development opportunity for teachers and directors: the Directors Training Institute.

At the institute, participants will learn how to teach fundamental Model UN skills to beginner delegates through fun and engaging activities. Participants will be trained to deliver a series of one-hour workshops on research, public speaking, resolution writing and other skills that will help delegates prepare for Model UN conferences. The institute requires pre-conference preparation.

At its conclusion, participants will be awarded Level 1 or Level 2 Best Delegate Trainer Certification, a digital credential that can be professionally shared, and access to an MUN professional learning network (PLN). This is part of a larger two-tiered training program that will lead to full Best Delegate Trainer certification.

If you are new to Model UN, or looking for ways to help your delegates learn Model UN and set them up for success, the Director’s Institute is here for you. For more information, please contact the THIMUN Qatar office.

Sign up for Directors Training Institute at Levels 1 & 2 will open November 11th 2019.

7th Annual QLC
THIMUN QATAR YOUTH SERVICE AWARD

The THIMUN Qatar Youth Service award is given annually to a student in recognition of outstanding service to the community, society and humanity, and whose actions and words have helped support the mission of the THIMUN Foundation and The United Nations.

Preference will be given to nominees who have helped individuals within their community or society as a whole, and can include work with young people, work on environmental issues, support for elderly or the disabled, or causes that support justice and equality. The nominee should be a high school student and a participant at the THIMUN Qatar 2019 conference.

Nominees

Nominees are welcome from any participating THIMUN Qatar school. The individual must be a high school student at the time of the conference. Nominations are welcomed from students or staff of the student’s school, and the nomination must also be supported by the Head of School. The nomination and letter of support should be forwarded to the THIMUN Qatar office, along with a written overview of the candidate's qualifications and a photograph, by December 6, 2018.

Selection

Nominees are reviewed and selected based on the votes of the THIMUN Qatar Advisory Board. Nominees must receive a 2/3 majority of Advisory Board members. If a 2/3 majority cannot be achieved on the first ballot, the nominee with the lowest number of votes will be dropped with the process repeating itself until a nominee is selected.

Award Winner

The winner of the THIMUN Qatar Youth Service Award will be announced at the closing ceremony of the THIMUN Qatar 2019 conference.

GLOBAL ACT WITH IMPACT AWARD (GAIA)

THIMUN Qatar celebrates and promotes achieving the Global Goals together, and would like to share the best projects from participating schools during our opening ceremony. For the first time this year, THIMUN Qatar introduces the Global Act with Impact Awards (GAIAs). This awards ceremony will showcase service projects initiated by participating schools, which promote the achievement of the Global Goals together. Participating schools will be asked to submit a 5 minute video, a 30 second summary video, and supporting documentation outlining their service project to thimunqatar@qf.org.qa by 10 December 2019.

THIMUN Qatar hopes that by showcasing the best practice of our participating schools, we can inspire participants to step further into their journey to join the global community.
A Gathering Place for the World

Currently, 1.75 million children within Syria are out of school and in Iraq this number is almost 3.7 million. Yet, education is key for these children to grow up into adults fulfil their potential and contribute to a stable and prosperous future for Syria and the region.

NO LOST GENERATION

Launched in 2013, No Lost generation is a strategic framework for the response to the Syria and Iraq crisis, embedded within existing planning, coordination and reporting structures. The initiative brings together key partners to achieve agreed outcomes essential for the education, protection, well-being and future of children and young people affected by these conflicts. These outcomes fall under three pillars: Education, Child Protection, and Adolescents & Youth.

MODEL UNITED NATIONS

MUN offer talented youth to learn about the United Nations but more importantly to give the leaders of tomorrow more information about key issues and how to negotiate those issues on the international stage. No Lost Generation engages with youth through a toolkit allowing students to support Syrian and Iraqi children affected by conflict in their own settings. Participating students will learn about how to make an impact long after their MUN time is over while substantively engaging on a topic at the core of the values of the United Nations.

"Every Syrian and Iraqi child has the right to learn and develop in a safe environment – and it’s our collective responsibility to make that happen. Engaging with Model United Nations means you are joining this effort which should be at the top of the priority list for any one who would like a peaceful and productive future for the region."
