General Rules of Conduct

It is assumed, by virtue of the fact that they are here for a serious purpose that participants are mature enough to respect others and to provide a framework within which all MUN participants can operate.

Failure to follow these simple guidelines may result in the participants being sent home at their own expense and the school not being invited to participate in future sessions.

Although THIMUN Qatar is an educational exercise intended for young people, delegates are simulating the Councils, Commissions and Conferences of the United Nations. Thus, for the period of the conference, they must be regarded as diplomats and ambassadors for the country they are representing, as well as representatives of their individual schools. This demands a high standard of personal conduct and behavior from all delegates, both during the conference sessions and outside the Convention Center.

Personal Conduct at the Conference

Dress

As a serious simulation, THIMUN expects personal appearance to be appropriate for a professional setting. Formal dress, (the kind of clothes that real UN diplomats might be expected to wear when attending UN sessions) is required at all meetings. In order not to cause offence to other delegates, national dress, military uniforms and armbands are forbidden.

Inappropriate dress includes, but is not limited to:

- Team accessories such as scarves, hats, non-THIMUN badges, buttons and pins
- Sport shoes and denim clothing
- Facial piercing
- National costume

The minimal requirement at a conference for males is to wear a pair of formal pants and shirt, with dark shoes and a blazer. It is advised that male attendees dress in proper suits with a tie. Qatari national dress is not permitted as all delegates are representing their assigned nation and should dress accordingly.

Females should be dressed equally formally in suites or dresses. Modest dress is required in terms of length (on or below the knee), tops of arms covered and tightness of clothing.

When going to public places, delegates should dress modestly. Shorts and sleeveless shirts are not culturally appropriate. Fines can be issued for persons dressed inappropriately.

The above dress code also applies to MUN Directors.

Public Displays of Affection

In addition, all public display of affection between genders is culturally inappropriate in Qatar. Couples holding hands or kissing in public is not culturally or legally accepted.

Smoking

Smoking is prohibited in the entire Convention Center and at all THIMUN Qatar venues.

Alcohol and drugs

It is very important to realize that regardless of personal or cultural views, the use of any alcohol and narcotic drugs is expressly prohibited. The use of alcohol is tightly regulated in Qatar. Alcohol is illegal for Muslims and for those under the age of twenty one. Strict criminal penalties will be enforced if law officials become involved in any situation where alcohol or drugs have been used. Any delegate that is found to be in possession or to have consumed alcohol or drugs during conference activities will be immediately removed from the conference and their visa invitation will be revoked.

Curfew

Since MUN sessions are long and tiring, and, out of consideration of hosting families and other hotel guests, a curfew of 23:00 is recommended. Students must remember that THIMUN Qatar is dependent on the goodwill of the community and of hotel managements in being able to provide accommodation at discounted rates for delegates. A bad experience by just one hotel may mean the loss of many potential beds for future delegates. Therefore, participants must be polite and considerate at all times to hotel staff and fellow residents.

THIMUN Conference ABC's

Administration Staff

The function of the administration staff is to ensure the smooth running of the conference. In the debate forums they have to control the flow of delegates in and out, assist delegates with microphones, help maintain order during the debate, and support the disciplinary actions of the President or the Chair. They are responsible for the transmission of notes between delegates and for counting the votes whenever required. Instructions by administration staff are expected to be followed.

Ambassadors

Student Ambassadors are responsible for the conduct of their respective delegations. They are the student leader of the delegation and are expected to support the MUN Director in organizing their teams. They are the spokesperson for their country at the opening ceremonies and, if called upon, in the Security Council.

Approval Panel

The Resolution Processing system at THIMUN Qatar is entirely digitalized. The Approval Panels will be open until Thursday at noon. Delegates must obtain 15 co-submitters for their draft resolution. Resolutions must be registered into the RMS system by their respective student officer and the Co-submitter sheet must be brought to the Approval Panel.

Identification Badges

QNCC is a high security building. Delegates not wearing conference identification may not be permitted onto the site or may be removed by QNCC staff.

It is important that all participants wear their conference identification at all times. Please take great care of your badge. It serves as your identification throughout the Convention Center and admission into committees and other THIMUN Qatar functions. A new badge may be obtained at the registration desk with a replacement charge of 100 QAR.

Buses

Transport will be provided on Wednesday, Thursday, and Friday to and from the hotels/QNCC. Transport will also be provided on Friday evening for the Social night. Further transportation requests can be made through your respective hotels.

Certificates

Participation certificates can be picked up on Friday morning from the registration desk. Certificates will only be given to MUN Directors. MUN Directors are requested to check all names carefully. If spelling mistakes are present, please correct the certificate in clear handwriting and leave with the administration staff. The corrected certificate will be mailed to your school.

Cloakroom

There is a cloakroom on the ground level of the Convention Center. At the time of publication, there is no charge for this service. Please leave bags and coats at the cloakroom to avoid clutter within the committee rooms. Please do not leave any valuables.

Closing Ceremonies

All delegates are welcome to attend the closing ceremonies. GA delegates will be sitting in country assignments. All other delegates are welcome to sit according to the instructions of their MUN Director. Student officers are requested to sit in their designated area near the front of the Theater.

Committee Speakers

Various experts will be speaking to committees during the conference. MUN Directors are welcome to sit in on the presentation but please be aware that available seating is limited. Committee speakers are experts in their fields with the goal of providing greater insight into the issues being debated in committees. There will be an opportunity for delegates to ask questions to their committee speaker at the end of their presentation.

Community and Service Project

THIMUN Qatar's official charity is the Eravur School in Sri Lanka. Through the efforts of students, the Eravur School supports the education of over 200 students. In addition, funds are used to provide manpower services, support the local orphanage and many other local projects.

Computers and Internet connection

The use of computers during committee sessions is not permitted. On Wednesday, delegates are encouraged to bring their own computers for the purpose of lobbying and re-drafting their resolutions. Please be aware that there are NO computer facilities available for student use during the conference. QNCC provides a free wireless service for delegates. All electronic devices are prohibited from being used during debating sessions.

Film Festival

All THIMUN Qatar participating schools are welcome to submit films for the THIMUN Qatar Northwestern Film Festival from April 11-13. The Film Festival is a great opportunity for delegates to put into action some of the knowledge that they have gained during the MUN conference. Prizes will be awarded for films of outstanding quality.

International students who have been nominated for prizes will be offered flights and accommodation in order to attend the film festival.

Gum

Gum is not permitted in the QNCC facility.

Information Desk

If you have questions about sightseeing, restaurants or getting around Doha, please go to the registration area and talk to our student information officers.

Medical Room / Emergencies

The medical room is located on Level 1. A nurse will be in attended in the medical room at all times during the conference.

Mobile Phones / Portable Audio Devices

Mobile phones must be switched OFF in all forums at all times. Confiscation of mobile phones and/or removal of delegates may result if this policy is not followed.

Opening Ceremonies

The opening ceremonies are open to the public and schools are welcome to invite parents and other members of their community.

Placards

One placard per forum is provided during registration. The placard will be needed every day. An official placard is required for voting or being recognized by student officers. Defacing the placard is viewed as an act of disrespect to the country in which the delegate is representing. Lost placards will not be replaced. At the end

of the conference, we will be attempting to re-cycle placards. Please leave your placard on your chair at the end of your last session.

Photographs

Team photographs are available during lunch time and after the conference in the Lunch Room, Exhibition Hall 1.

Posters

No posters or notices are allowed on any walls, doors or other areas of the Convention Center.

Public Transportation and Taxis

Using public transportation and taxis can be difficult in Qatar. Taxis are safe and clean but are in short supply beyond the major malls. Hotels will arrange taxi services for their guests.

Resolution Booklet

The Resolution Booklet will contain all of the resolutions passed during THIMUN Qatar. Each participating school will be sent an electronic copy upon the completion of the conference.

Security

QNCC is a high security building. There are 20 full time security personnel on site at all times. In addition, there are over 800 cameras in the building monitoring all areas of the convention center. Please be aware that there is a significant reduction in privacy and inappropriate behavior will be detected. The security team will be deployed for any threats to the building; this includes smoking in the facility and vandalism.

Snacks

Snacks will be offered for purchase during scheduled break times at QNCC snack bar by the Reflection Pool.

Social Night

The Friday night social will be held in the Qatar Foundation Student Center, Education City. All schools who wish to participate in the social night must have pre-registered. From 6:30-8:30pm, events will be unstructured allowing students to socialize around a cup of coffee or a billiards table. There are numerous facilities from bowling alleys, gymnasiums, pool tables, restaurants and lounges. Finger food will be available from 6.30-8.15 p.m.

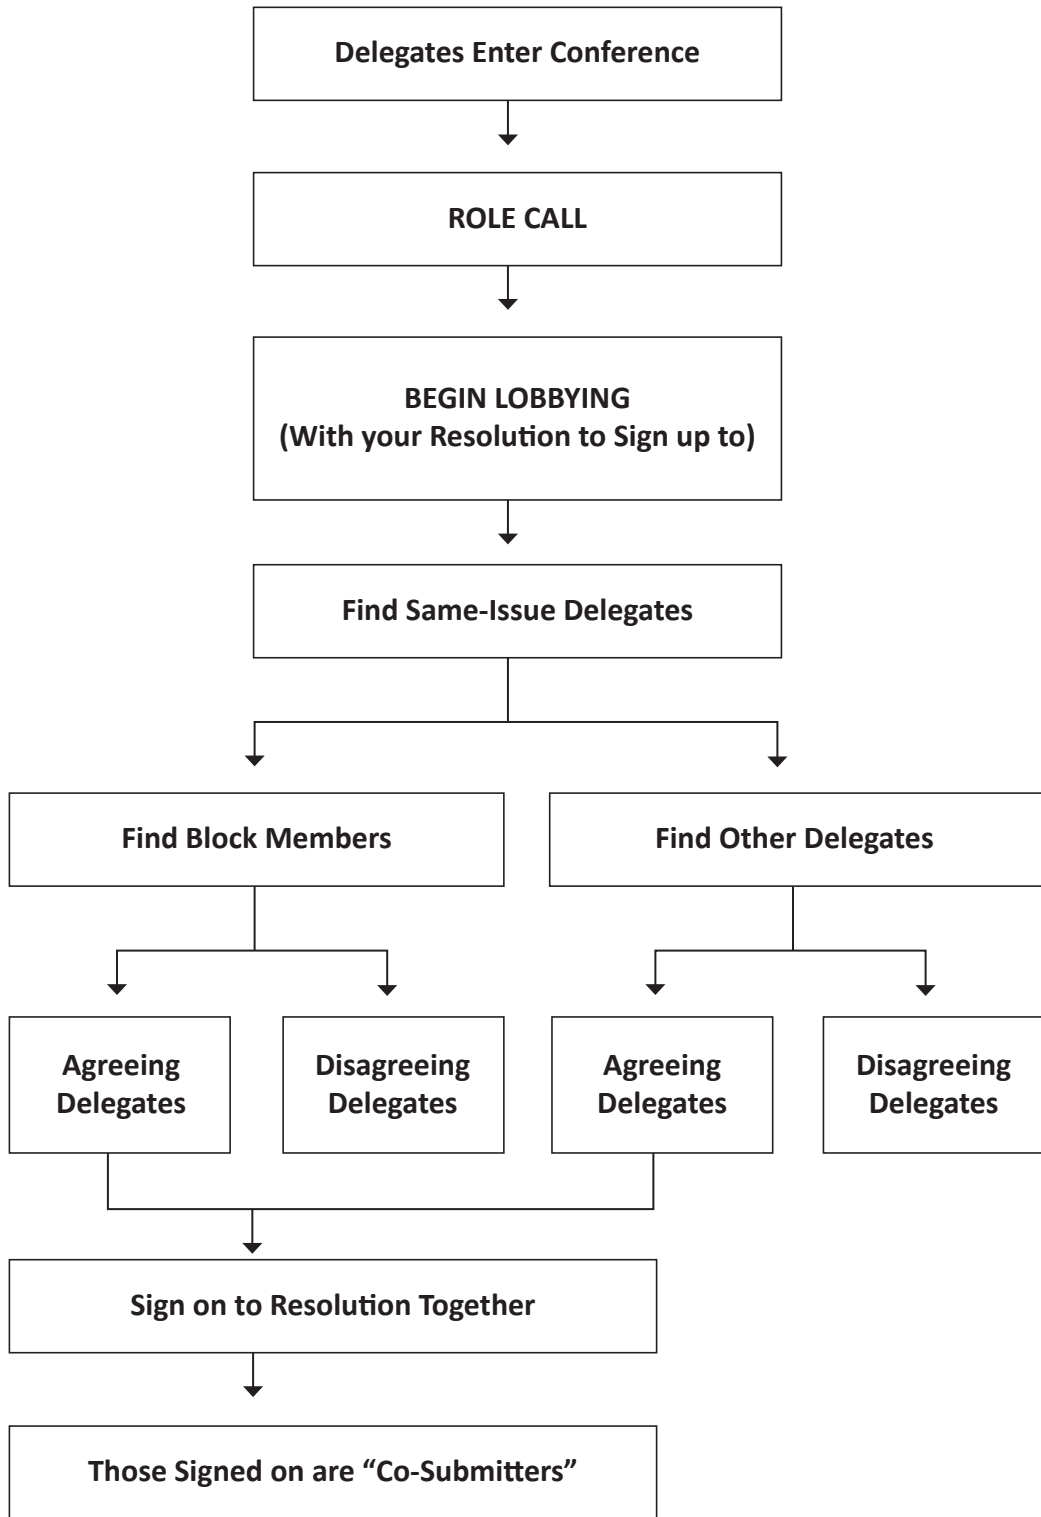

The second part of the evening at 8.30 p.m. will be a special performance by India's leading illusionist S.A.C Vasanth. Watch as your perception of reality changes as Vasanth makes people appear from nowhere, a bike changes to a girl, people levitate, and ½ bodies begin walking across the stage. You may even become part of the illusion with this highly interactive performance that you won't soon forget.

Conference ID badges and ticket will need to be provided in order to attend. Tickets must be handed in to attend the show. Tickets will be provided to the MUN Directors on the last day of the conference.

Souvenirs

There will be a number of souvenirs and THIMUN Qatar merchandise on sale at THIMUN Qatar. Any proceeds from the sale will be donated to the THIMUN Qatar's official charity.

How to Lobby

Procedures for Processing Resolutions:

For each party involved in the life of a resolution a series of steps are needed.

Delegate

The delegate

1. Brings a draft resolution digitally;
2. Lobbies and merges the resolution;
3. Edits the merged resolution with co-submitters;
4. Ensures that all co-submitters have not supported any other resolution on the SAME issue;
5. Collects 15 signatures from co-submitters; (co-submitter sheets are available from the forum chair);
6. Reviews the resolution with the appropriate forum's chair and
 - a. Obtains the forum chair's signature
 - b. Registers the resolution into the Resolution Management System (RMS)
 - c. Records the Resolution Identification Number on the co-submitter sheet
7. The main submitter meets with approval panel staff for reviewing of the resolution. The delegate will need to bring a copy of the signed co-submitter sheet
8. If the resolution requires major re-writing, delegate will make the necessary changes and return to the approval panel to repeat step 7;
9. If the resolution is approved, the draft resolution will be sent digitally to the Secretariat for photocopying.

Student officer (Part 1)

The Student Officer has a controlling function; he or she needs to ensure that the content within the resolutions are worthy of debate, has significant support within the committee before debate, and ensures resolutions do not need major formatting or editing work. The Student Officer then registers the resolution into the RMS system.

The Student officer:

1. Supports and encourages delegates during their lobbying and merging time;
2. Releases the co-submitter sheet at the scheduled time;
3. Checks co-submitter sheet for at least 15 signatures;
4. Checks resolution for plagiarism, suitability of content, and proper formatting;
5. Registers the resolution into the Resolution Management System (RMS)
6. Records the Resolution Identification Number on the co-submitter sheet
7. Signs the bottom of the co-submitter sheet if it appears fit for registration;
8. Priorities approved resolutions for debate at the following meeting times:

a. Wednesday 17:00-17:30 in Room 103

b. Thursday 12:00-13:00 in Room 103

Approval Panel

The Approval Panel reviews the language and format of draft resolutions to ensure structural and formatting issues do not distract delegates from debating content.

The Approval Panel:

1. Welcomes the main submitter of the resolution;
2. Directs the main submitter into the Approval Panel room when a staff member is available. Only the main submitter of the resolution is allowed into the approval panel area.
3. Reviews the co-submitter sheet and obtains the Resolution Identification Number
4. Opens the resolution file from the RMS system
5. Reads the resolution and corrects minor mistakes and ensures proper formatting using the THIMUN Resolution Formatting Guide
6. Save changes made to the document;
7. If the resolution can be approved:
 - a. Click the approved resolution icon in the RMS system
 - b. Collects the co-submitter sheet from the delegate and forwards to the deputy Secretary General or Head of the Secretariat
8. If the resolution cannot be approved:
 - a. the delegate is sent to make the necessary changes. The delegate will repeat steps 1-7 once changes have been made.

Student Officer (Part 2)

In the second part of his/her duties, the Student Officer has recording function. The Student Officer must ensure the result of the debate on a particular resolution is properly recorded. During forum debates:

The student officer will

1. Open the appropriate resolution from the approved resolution tab;
2. Save the resolution on to the committee computer desktop using the resolution number as the file name;
3. Project the resolution on the screen for delegates;
4. Make changes to the document as amendments are approved;
5. Save the document on computer;
6. If changes have been made to the document, upload the new document (change document icon);

7. Using the drop down menu, indicate if the resolution has passed or failed;
8. At the end of the conference, register any resolutions that has been approved but not debated as “un-debated”.

Secretariat

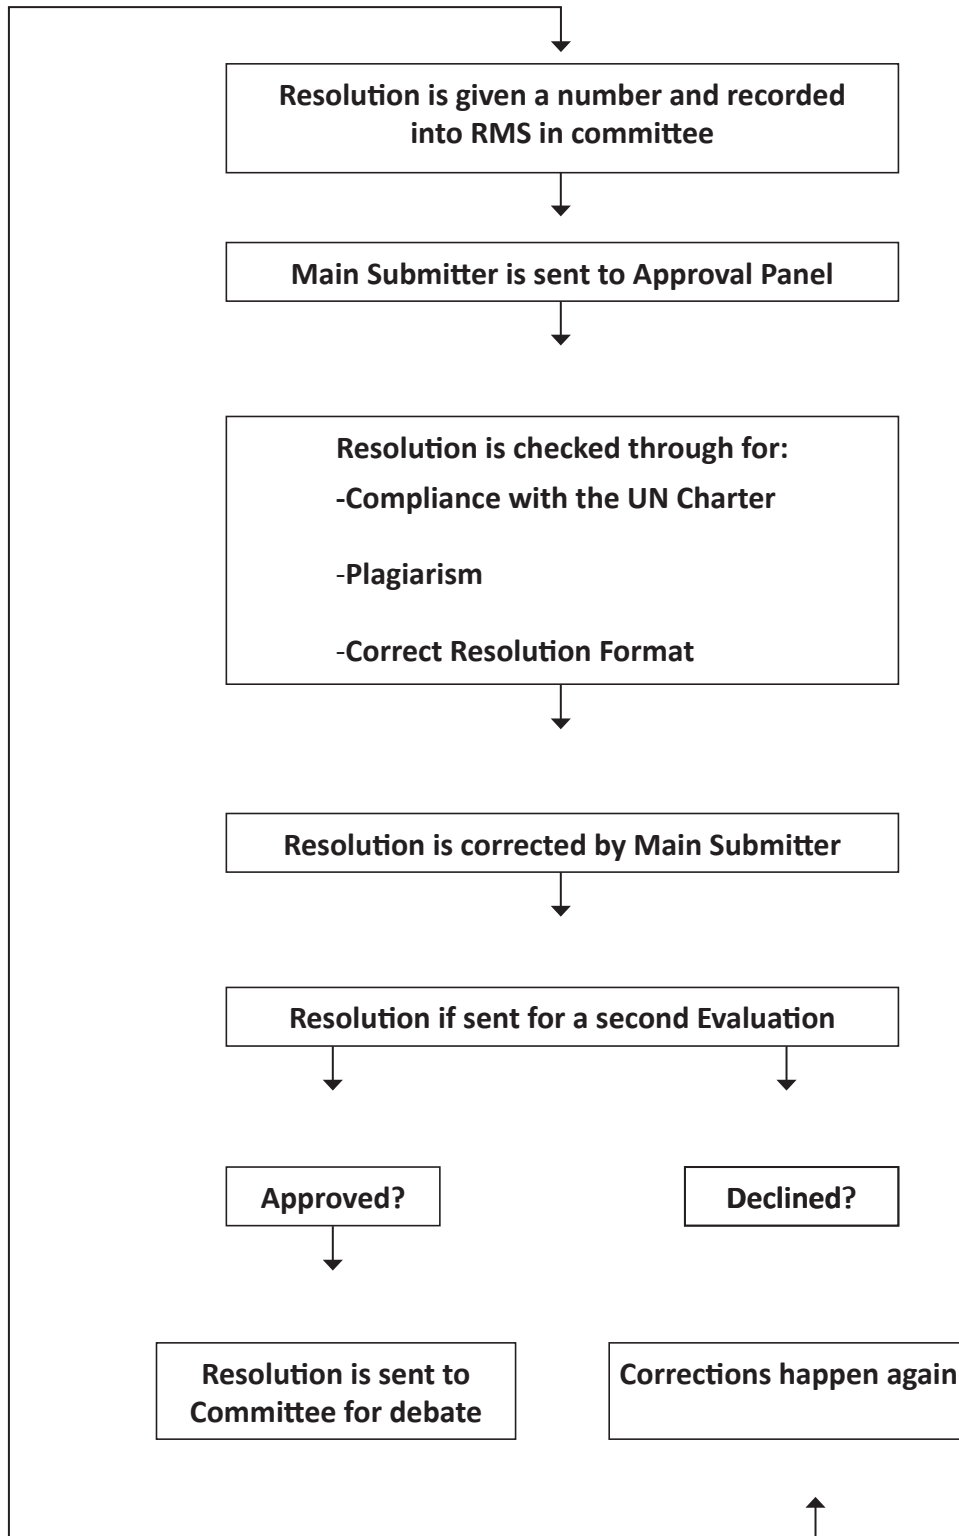

The Secretariat has a logistical function; it organizes the resolutions, makes physical copies for distribution, and organizes all passed resolutions into the THIMUN Qatar Resolution Booklet.

The Secretariat:

1. Collects the co-submitter sheet from the Approval Panel for all resolutions;
2. Prints one copy of all available approved resolutions (with attached co-submitter sheet) to be made available to Student Officers at the following meetings:
 - a. Wednesday 17:00-17:30 in Room 101
 - b. Thursday 12:00 -13:00 in Room 101
3. Photocopies the prioritized resolutions in the order to be given to the Head of Admin Staff of the respective committee;
4. Coordinates with Administration staff for the distribution of resolutions to the appropriate forum;
5. Organizes and formats approved resolutions into the Resolution Booklet for distribution to participating schools, THIMUN Foundation and The United Nations.
